Meets the latest regulatory requirements:

- Type B toe cap
- S-type puncture-resistant toe

XL-sized Infinergy® insert for a springy feel in all circumstances. Saves the equivalent of 1 hour's energy per day⁽¹⁾

Absolute comfort thanks to the 100% leather-lined interior with a 'peach skin' feel

New FIT last, hugging the foot more closely and adapted to anatomical changes

THE MOST

THE TECHIEST

This model features an E-TPU Infinergy® XL insert from BASF.

Already used successfully in running shoes, this innovative material returns over 55 per cent of the energy stored⁽²⁾ whilst walking, whilst providing exceptional comfort thanks to the cushioning in the sole.

Infinergy®

Made with Infinergy by BASF
