Energy

- + Saves 1 hour of energy per day to stay energized
- + Ideal for reducing fatigue for those who walk a lot
- + Provides unparalleled comfort thanks to its cushioned sole
- + Reduces the risk of musculoskeletal disorders in the lower limbs
- + Prevents the risk of falls and eliminates pressure points thanks to the BOA® Fit System closure system

THE MOST

THE TECHIEST

This model features BASF's Infinergy® E-TPU insert.

Already successfully used in running shoes, this innovative material releases over 55% of the energy accumulated during walking, while providing exceptional comfort thanks to the cushioning of the sole.

Infinergy®

Made with Infinergy® by BASF

LINING

Highly breathable
and quick-drying
