BASF® BIOMASS BALANCE PU SOLE

60% reduction in carbon footprint

100% renewable resources

+ Certified Carbon Neutral by
Bureau Veritas according to ISO
14068-1 standard

+ Saves 1 hour of energy per day to stay
energized

+ Ideal for reducing fatigue in people who
walk a lot

+ Provides unparalleled comfort thanks to
its cushioned sole

+ Reduces the risk of musculoskeletal
disorders in the lower limbs

THE MOST

THE TECHIEST

This model features BASF's Infinergy®
E-TPU insert.

Already successfully used in running shoes,
this innovative material releases over 55%
of the energy accumulated during walking,
while providing exceptional comfort thanks
to the cushioning of the sole.

Infinergy®

Made with Infinergy® by BASF

* Calculations according to EN ISO 14021: 2016 based on the total weight of the shoe

** Bounce rate measured to DIN 53512 standard
